Bellary Municipal Council - Fort and Cantonment - Water Supply extension. In my No. 2118 B/39 C.R. dated 26th October 1939, the provision of a grant of Rs. 1,426/- for 1940-41 was recommended. But Government in Memorandum No. 47424-e E2.P.H., dated 11th December 1939 requested the Superintending Engineer (Public Health) to obtain and forward the necessary application for grant. As the Commissioner did not furnish the details, the Superintending Engineer (Public Health) in his No. 270 C dated 11th March 1940 (forwarded to Government with my No. 2537 B/39-7 dated 15th March 1940) stated that the Commissioner might be advised to renew the application next year (i.e., 1940-41). So if it will not be possible to disburse the grant during the current year Rs. 1,400/- may be provided for 1941-42.

To The Secretary to the Government of Madras,
Education & Public Health Department.

Sir,

At the time of recommending the sanction of grant during 1937-38, the expenditure incurred on the scheme up to February 1938 was reported to be Rs.53,097-15--1. A grant of Rs.25,574/- was recommended by the Sanitary Engineer after disallowing an expenditure of Rs.1,949-1-6* and the grant was sanctioned in G.O. No.1007 P.H. dated 12-3-38.

* i. Amount not debitable to this work	..	3--1--0
ii. Cost of Electric connection for the booster pump	..	1817--3--0
iii. Cost of shifting a gift fountain.		128-13--6
Total.	..	1949--1--6

2.

2. The Commissioner in his letter No.1723/39 dated 6th March 1940 (copy sent to Government with Chief Engineer's No.2537-B/39-7 dated 15th March 1940) has reported the total expenditure on the scheme to be Rs.53,889--3--0. Based on the information available in this office, the grant still payable to the Municipality comes to Rs.1,444 or Rs.1,400/- as detailed below:-

Total expenditure on the scheme ..	53,889--3--0	
*Deduct Amount not debitable to this work ..	3--1--0	
	53,886--2--0	
Government share of expenditure ..	26,943--1--0	(A)
Grant sanctioned in G.O.No.1007 dated 12-3-38	25,574/-	
Deduct Refund to Government as per audit objection ..	75/-	
Net grant drawn ..	25,499/-	(B)
Balance of grant payable (A - B) ..	1,444--1--0.	

*The deviations in respect of items ii and iii referred to in para 1 above have since been approved by the Sanitary Engineer and the Council is eligible for ½ grant thereon.

3. Hence a provision of Rs.1,400/-, under grant being the balance of grant payable to the Municipality, was recommended in my endorsement No.1780-B/40-1 dated 24th September 1940.

Grant - Bellary Municipal Council - Fort and Cantonment water supply extension.

In continuation of this office No.222 C dated 2-3-1940 and with reference to your Endt. No.2537-B/39-4 dated 5-3-1940, I enclose copy of letter No.C.1723/39 dated 6-3-1940 from the Municipal Commissioner, Bellary together with a copy of its enclosure since received from him. He has not furnished either the details for the expenditure incurred on the work or the vouchers therefor for verification in this office. The statement of expenditure stated to have been sent to this office in his No.375-D/38 dated 6-10-1938 has not been received. In the circumstances, I am unable to recommend any grant this year. The Commissioner may be advised to renew his grant application early next year furnishing the necessary details for verification of the expenditure.

Letter C.No.1723/39 dated 6-3-1940 from the Municipal Commissioner, Bellary..

Grant - Bellary Municipal Council - Water supply - Extension to Fort and Cantonment area. - Balance of grant claimed.

I send herewith the grant application for Rs.1445-10-0 towards the balance of grant due for the Fort and Cantonment extension scheme. The total expenditure incurred for the scheme comes to Rs.53889-3-0 as per the statement of expenditure already sent in this office No.375 D/38 dated 6-10-1938. The half grant admissible on the above expenditure is Rs.26944-10-0. The Government have already sanctioned in G.O.No.1007 Edn. & P.H., dated 12-3-1938, a sum of Rs.25574/- as half grant towards the expenditure incurred on

p.t.o.

this scheme. Out of this a sum of Rs.75/- was refunded to Government as per audit objection in chalan No.Nil dated 2-8-1939. So the actual grant drawn for the scheme upto now is only Rs.25574 minus 75/- i.e. Rs.25499/-. As the final deviation to the work was sanctioned in your No.1303 L dated 27-7-1939, the items disallowed in the original case, have also been included in the statement of expenditure sent to you in this office 375 D/38 dated 6-10-1938. After deducting the amount of grant already drawn from the total grant admissible, this Council will be entitled to Rs.1445-10-0 instead of Rs.1370-9-0 as originally claimed in the letter.

I therefore request you to recommend to Government for sanction and payment of this ~~ga~~ half grant due to this Municipality at a very early date so as to enable me to claim it within this official year.
